#### REMARKS

This application is a divisional of U.S. Serial No. 09/434,289. In that application, original claims 1-17 were cancelled and ultimately replaced by new claims 27-42; the claims presented here are claims 36-42 proposed in the parent application which represent a non-elected invention in response to a restriction requirement wherein applicants elected to prosecute the invention of claims 27-35. No new matter has been added and entry of the amendment is respectfully requested.

In the unlikely event that the transmittal letter is separated from this document and the Patent Office determines that an extension and/or other relief is required, applicants petition for any required relief including extensions of time and authorize the Assistant Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to **Deposit Account No. 03-1952** referencing docket no. 300622000213. However, the Assistant Commissioner is not authorized to charge the cost of the issue fee to the Deposit Account.

Respectfully submitted,
